TOWN WARRANT 1974

Town of Charlestown State of New Hampshire

To the inhabitants of the Town of Charlestown, in the County of Sullivan, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Charlestown Elementary School Gymnasium in said Charlestown on Tuesday, the fifth day of March next, at 10:00 in the forenoon until the beginning of the business session at 7:00 P.M. to act upon the following subjects:

- Article 1.** To choose the necessary town officers for their respective terms.
- Article 2.** Shall we adopt the homeowners' exemption provisions of RSA Chapter 72 granting a \$5,000 exemption based on equalized assessed valuation on all owner-occupied units and a \$10,000 exemption based on equalized assessed valuation on all owner-occupied units owned by persons over sixty-five years of age?" By Ballot.
- Article 3.** To see if the Town will vote to authorize the Selectmen to borrow notes on credit of the Town such sums of money as may be necessary to meet current expenses in anticipation of taxes.
- Article 4.** To see if the Town will vote to authorize the Selectmen to sell real estate acquired by Tax Collector's Deed after being posted one (1) month in advance of the sale and duly posted and published in two local daily newspapers.
- Article 5.** To consider the budget. To raise such sums of money as may be deemed necessary for the maintenance of the poor, laying out and repairing bridges, street lighting and for the necessary charges arising within the Town.
- Article 6.** To see what action the Town will take to elect three (3) additional members to the Recreation Committee for a period of three years. Re-election to be by ballot and all future terms to run for 3 years.
- Article 7.** To see if the Town will vote to revoke the action taken pursuant to Article 20 of the 1973 Warrant, whereby the Town authorized the appropriation of \$64,000.00 for the Crown Point Heights sewer extension and pursuant to Article 21 of the 1973 Warrant, whereby the Town appropriated the sum of \$160,000.00 for sewer treatment purposes, both appropriations to have been paid from sewer receipts contrary to the provisions of RSA 252.

- Article 8.** To see if the Town will vote to raise and appropriate the sum not to exceed \$20,500.00 for the purpose of updating the report on sewerage and sewage treatment facilities, to qualify the Town to receive Federal funds under P.L. 92-500, and designing improvements to the sewerage system to eliminate the raw sewage outfalls in the Riverview area and to upgrade the existing sewage lagoons, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed \$20,500.00 under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the New Hampshire Statutes Annotated 1955 and any amendments thereto) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other action as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Charlestown, and pass any vote relating thereto. Said monies to be repaid from sewer department income.
- Article 9.** To see if the Town will vote to authorize the Selectmen to make application for and to accept and expend, on behalf of the Town, any and all grants, or other funds for municipal purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.
- Article 10.** To see if the Town will authorize the Selectmen to apply for, contract for and accept aid from any and all agencies, both State and Federal, relative to disasters which may occur during the ensuing year and until the Annual Town Meeting in 1975, and to expend funds so received to repair and restore damaged municipal properties and to alleviate disorders resulting from such disasters.
- Article 11.** To see if the Town will vote to raise and appropriate the sum of \$29,500.00 for the equipment and operation of a Town operated, Sanitary landfill. This sum to include the purchase of a four-in-one bucket equipped, tractor crawler, the necessary operators' building, fencing, site preparation and labor. This sanitary landfill to be operated to specifications as required by State Law and recommendations of the Conservation Commission and Board of Selectmen.
- Article 12.** To see if the Town will vote to raise and appropriate a sum not to exceed \$15,444.00 for the purchase of a new ambulance and related equipment; this amount to be reduced by a federal grant of \$5,444.00 and further reduced by \$3,000.00 from the ambulance reserve fund. The balance to be raised by taxation is not to exceed \$7,000.00. Approved by Finance Committee

- Article 13.** To see if the Town will raise and appropriate the sum of \$1,007.50 (bid price) for a base radio station for the Fire Dept. Approved by Finance Committee.
- Article 14.** To see if the Town will raise and appropriate funds not to exceed \$80,000.00 for construction and site work for a Fire and Ambulance building. The total cost to be raised by the issuance of serial bonds or notes, under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the New Hampshire Statutes Annotated 1955, and any amendments thereto) and repaid in eight (8) annual payments. To authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon and to take such other action as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Charlestown, and pass any vote relating thereto. By petition.
- Article 15.** To see if the Town will raise and appropriate funds not to exceed \$10,000.00 for a tractor with mower and snowblower for combined highway sidewalk use to be repaid over a three year period by the issuance of serial bonds or notes, under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the New Hampshire Statutes Annotated 1955, and any amendments thereto). To authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon and to take such other action as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Charlestown and pass any vote relating thereto.
- Article 16.** To see if the Town will vote to authorize the Selectmen to provide a copy of the Town Warrant to each voting household at least one week prior to Town Meeting. By petition.
- Article 17.** To see if the Town will vote to officially require the Selectmen to prepare a feasible plan for improving the Acworth Road and to present it for acceptance at the 1975 Town Meeting. The plan shall contain:
- A: Estimated Costs and possible sources of assistance.
 - B: Specification of what sections of the road are to receive work.
 - C: A timetable for the improvements.
 - D: At least one practical alternative for the voters to consider so that the question of improving the Acworth Road does not deteriorate into an "all or nothing" situation. By petition.

Article 18. To see if the Town of Charlestown will vote to appropriate to the Fall Mt. YMCA a sum of \$1500.00 to the Rockingham Senior Center for program services in and to the Town of Charlestown, N. H. By petition.

Article 19. Town of Charlestown will vote to appropriate to the Fall Mountain YMCA a sum of \$1500.00 to administrate a Youth Program for young people in the grades of seven-twelfth grades who reside in the Town of Charlestown. By petition.

Article 20. Shall the provisions of RSA 55:9a and 55:9b be adopted by the Town of Charlestown as provided in RSA 55:9c.”
Explanation: Under the law a new voter may register with his town or city clerk any time during regular business hours except during that period when the supervisors of the checklist are in session. This makes it much easier and simpler for people to register. This law must be adopted by the town meeting in order to take effect.

Article 21. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against the following debt service incurred for “priority Expenditures” since January 1, 1972.

1972 Payloader Note - \$4,400.00

Article 22. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following priority purposes and in amounts indicated or take any other action thereon:

Appropriation	Amount

September 18, 1973

Gentlemen:

Your Summary Inventory of Property Valuation and Statement of Appropriations have been approved. You may proceed with the assessment of 1973 taxes on the basis of the following figures:

Net Assessed Valuation	\$15,023,167.00
------------------------	-----------------

Taxes Committed to Collector:

Town Property Taxes Assessed	\$811,251.01
Precinct Taxes Assessed	
Total Gross Property Taxes	<u>\$811,251.01</u>
Less: Est. War Service Tax Credits	<u>17,000.00</u>
Net Property Tax Commitment	\$794,251.01

Tax Rate	\$	5.40
----------	----	------

Municipal	\$.46
County	.38
School	<u>\$4.56</u>
	<u><u>\$5.40</u></u>

* The amount of property tax commitment is subject to adjustment by reason of any increase or decrease in War Service Tax Credits which may result based on the above approved rate.

In the event any adjustment was made in the Appropriations Section we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriations.

The net amounts approved for school and county are as follows:

Net School Appropriations	\$732,630.86
County Tax Assessment	\$ 60,280.72

In arriving at the above approved rate the Overlay has been set in the amount of \$4,432.43.

Very truly yours,
Lloyd M. Price, Commissioner

SPECIAL REPORT COVERING FAIRFAX FORECLOSURE

May 31 - June 9, 1973

The Fairfax Pallet Plant was closed by the mortgagors, the Worcester Guarantee Bank and the United States Small Business Administration and on very short notice, this Department was asked to provide twenty-four hour guard service for the protection of the mortgaged property. If we had not accepted the responsibility, a Security Guard Service would have been brought in from outside.

Thanks to our Specials and Reserve Force, in conjunction with our Regular Officers, this was very nicely done without interfering with the regular patrol duties. For emergencies extra help was always at hand.

To insure connections with this and other Police Departments, this Station was kept open on a twenty-four hour basis for the period. Ample remuneration was provided for this by the mortgagors, who paid the Department at the rate of \$6.00 per hour for each extra hour the station was open. This was in addition to the pay for the extra time the Officers and Dispatchers put in.

Total Amount received from the Mortgagors	\$2,440.27
Total Amount paid out for Officers and Expenses	<u>1,880.75</u>
Amount gained by the Town	\$ 559.52

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 A.M. and 5:00 P.M. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

**ANNUAL REPORT OF THE HEALTH OFFICER
TOWN OF CHARLESTOWN - 1973**

The customary number of water samples were drawn from Charlestown and North Charlestown, sent to the Department of Health, Concord, and an excellent report returned on all. The town is extremely fortunate to have the water supply that we have. During the year several samples of water were drawn directly from the wells at Charlestown and North Charlestown. The reports from these samples were also excellent.

All new foster homes were inspected and given a clean bill of health by the health officer.

No samples were required from the swimming pool as everyone is aware that it had to be closed this summer so that construction on the new pool could be initiated. This summer a new pool will have to be tested and what a thrill that will be to me, as health officer, to see such a fine facility in operation.

The town dump was treated for rodent extermination in the spring, as has been the customary practice in the past. This program has been successful, but is only a temporary measure at best.

As in the past I would like to extend my appreciation to the selectmen, water department, and those with whom I have come in contact in the performance of my duties.

Respectfully submitted,

David T. Henry - Health Officer

CHARLESTOWN MEDICAL BUILDING ASSOCIATION

The Charlestown Medical Building was leased by Dr. Waldo Merriam who operates it under his incorporated name "The Charlestown Medical Center".

The Charlestown Visiting Nurse Association used its room on a full-time basis. The utilities for their room were furnished by Dr. Merriam. The association gave some assistance to the Visiting Nurse Association by paying for some of the ads placed while securing a nurse.

Barbara Freese, Secy.-Treas.

THE CHARLESTOWN VISITING NURSE ASSOCIATION, INC.

This year has seen the biggest change in the VNA since its inception. The patient caseload of both VNA and C-Y (Child- Youth) Project increased staggeringly until one nurse could no longer handle both. Each will now employ their own full time nurse.

Our charge per visit had remained at \$3.00 for years, when our actual cost per visit for 1972 was in excess of \$12.00 (by independent audit). Third party payments (Medicare, Insurance, etc.) previously reimbursed the Agency up to cost, but in the future will only reimburse our actual charge. Therefore, we have been forced to set our charge at \$12.00, but are using a sliding scale for our private patients. This will be based on income, size of family, and circumstances, so that no one cannot afford our services. For some private patients, this will mean a very small sum - perhaps nothing - for those who can afford the full charge - \$12.00, with the gradations in between.

In the beginning of this Agency, each town agreed to appropriate money on a per capita basis, which they did. There has been a population increase since that time, and the towns have been asked to increase their appropriations accordingly.

The name of the Agency will be changed to the Fall Mountain Visiting Nurse Association, Inc. as soon as it is legally possible, to more truly represent the areas served.

The Board of Directors has eight new members to augment a dwindling number who have served for a very long time. The Board has worked diligently, with the various committees, to revitalize and update policies in order that we might maintain high standards on the very tight budget proposed. We ask not only financial support from townspeople, but participation and encouragement in the continuance of service.

The only thing more expensive than good health care is no health care.

Respectfully submitted,
Joan E. Beach, Acting President

CHARLESTOWN VOLUNTEER AMBULANCE SERVICE

The CVAS made 114 calls during the 1973 calendar year.

New equipment purchased during the year included our HEAR system (Health Emergency Aid Radio) which was authorized by last years town meeting. This system has been very helpful in the emergency treatment of every ambulance patient since its installation.

Again this past year, many hours have been devoted to training and drills which include the completion of the American Red Cross by three of our Emergency Medical Technicians and the completion of the EMT program by two more members. The total number of Emergency Medical Technicians on the service has risen to eight during this past year. In order to maintain and continue to improve upon this emergency training, we have members assisting in teaching programs throughout the area, and seminars for ambulance personnel at Mary Hitchcock Memorial Hospital. Great emphasis is placed on continued training and drills for the first aid squad members.

This year the Charlestown Volunteer Ambulance Service is asking the town of Charlestown to assist it in the financing of a badly needed new vehicle. You will notice by the enclosed Article within the Warrant that the Ambulance Service has acquired funds in excess of one half the purchase price of a new Vehicle. We are asking for \$7,000 help in purchasing a vehicle costing an estimated \$15,500.

The ambulance service would like to extend its thanks to the merchants and individuals who have made many generous contributions to the service throughout the 1973 year.

Respectfully submitted,
Gary Wallace, Director

THE RECREATION COMMITTEE REPORT

The recreation department continues to provide a program with as much diversification as possible with the limited funds we have.

We support the Junior baseball league with some equipment and the necessary insurance to protect our youngsters.

In absence of a swimming program we offered a playground program. This was excellently supervised by Paula Kamel and Marcia Henry. Games, crafts, sports, picnics and hikes were enjoyed by many youngsters. We also enjoyed 2 visits from "The Little Red Wagon", a puppet show from Durham, N.H.

The girls softball program was again supervised by Mrs. Jean Bates.

The Swam Common area was again utilized to its fullest with basketball, tennis, and skating.

We anxiously await the summer of 1974 when we can open our new swimming facilities. The towns people certainly can be proud of themselves for providing such an excellent swimming area. It will now be our job to see that it is operated properly.

SWIMMING POOL BUILDING COMMITTEE

We would like to thank the residents of Charlestown for allowing us the pleasure of providing the town with a new swimming pool.

Everyone on the committee worked very hard and came through some very trying times with what we think is an excellent facility.

There is still a considerable amount of work to be done on final landscaping and providing the area with items that could not be included in the original construction.

We have had some inquiries on a few items of playground equipment that may be donated and of course would be glad to accept any and all donations whatever it be, time, money, or items for the area.

REPORT OF SILSBY LIBRARY

The Trustees of the Silsby Library wish to thank all organizations and individuals that have contributed in any way towards aiding our Library. Especially to the Charlestown Women's Club which sponsored a dance and a musical — a total of \$1,366.00 has been deposited in a Special Women's Club account for a building fund for our library; when at a future date it will be possible to have an addition to our Library. We appreciate the efforts of the Garden Club for their floral decorations.

Great improvements have been made in the interior of the library with wall to wall carpeting and draperies at the windows. There is still much work to be done on major repairs, and that is being done a little at a time.

Respectfully submitted,
Isabel T. Palmer

The TASC program, which featured cooperative effort to reach senior citizens in the area, ended in September. The library collection was strengthened in the area of crafts, hobbies, and Americana as well as in light fiction, by books purchased by TASC funds. The library also received a tape recorder, which is being used by the Congregational Church to bring services to the shut-ins via tape, a slide projector, and an office file from the TASC program. We appreciate the gift of many paperback books by Miss Betty Russell for the TASC program. The services of Miss Roxie Talbert and Mrs. Charles Reed as volunteers in the program were greatly appreciated.

CHARLESTOWN CONSERVATION COMMISSION

Due to the fact that N. H. state law requires Charlestown to cease open dump operations and begin sanitary landfill by July 1, 1974, the conservation commission spent much of its time in formulating a sanitary landfill plan. A good many hours were spent evaluating the potential for incinerator, recycling, composition, central pickup, regional landfill, community landfill, and contracted services. We propose a sanitary landfill for Charlestown, to be operated by the town government using land at the present dump site. This will be a trench-type landfill. The trenches will run north and south parallel to the westerly boundary, leaving a twenty foot buffer zone to be planted to evergreen trees. Trenches will be 14 feet deep, 20 feet wide and 300 feet long. It is expected that 3 or 4 such trenches can be built. After the trenches are completed, the entire site will be area filled to a height of 8 feet over the present level. An area will be set aside for tires, white goods, stump, building refuse, stockpiling, etc. Refuse will be compacted and covered daily to form a cell. An attendant will be on duty at all times the dump is open, expected to be four days a week. A small crawler with a 4 in 1 bucket will be purchased to handle daily operations, the final compacting to be done weekly with the town payloador. It is expected that the present dump site will last from 3 to 5 years.

Site preparation shall include grading the present dump face to a maximum 2 to 1 slope. Rodent control, fencing, stockpiling fill material and the relocation of the access road will be done before landfill operations begin. A structure suitable for storage of equipment and office space for the attendant will be provided according to federal OSHA regulations. Stickers for admission to the dump will be required.

The conservation commission is making several recommendations concerning the landfill situation. First, the town should purchase the adjoining lands east and south of the present dump site for future landfill operations. Upon completion of landfill operations the entire area should be placed in trust of the conservation commission to be developed for recreational use, including game fields, a picnic area, nature trails and a wildlife refuge.

Not all of the conservation commission's time was spent on the dump situation. A local boy was sent to the conservation camp in Allentown last June. The camp is designed to encourage more interest in conservation.

Earth day was a soggy success. Due to the efforts of local civic groups most of the roads in town were covered and considerable litter was collected.

The commission is studying the feasibility of acquiring more watershed land for future water resource needs. The commission is also surveying town roads to select areas where trees will be planted this spring and is looking into the prospect of establishing a nursery on town property to produce trees and shrubs for town beautification. Seedlings available at no cost from the state

would be obtained, grown to transplanting size and used where needed.

If you have any ideas for future directions that the conservation commission could take or have land the conservation commission could acquire by sale, gift or easement to be used for multi-use conservation practices, please contact any member of the conservation commission.

ANNUAL REPORT OF THE CHARLESTOWN PLANNING BOARD

At the annual town meeting held on March 7, 1972, it was voted to authorize the Planning Board to adopt subdivision regulations for the Town of Charlestown. While some ground work was done on subdivisions during 1972, it became the major project for this past year.

The Board met each week for three months and completed writing the subdivision regulations at the end of June. On July 31st, a Public Hearing was held and as a result of this hearing, the regulations were adopted by a unanimous vote of the Planning Board on August 7, 1973 and filed with the Town Clerk and recorded with the County Register of Deeds.

For clarification purposes, four amendments to the subdivision regulations were written in November. A Public Hearing was held on December 18, 1973 and as a result, the Board voted unanimously in favor of readopting the entire subdivision regulations and the four added amendments. These have been duly recorded.

The Planning Board acted upon several building permit requests and worked with the swimming pool committee and the fire station committee during the year.

The Board meets on the first and third Tuesday of every month and all meetings are open to the public.

Respectfully submitted,
Leonard W. Gray, Chairman

The Finance Committee of Charlestown met in the Selectmen's Office at 6:15 P.M. Sunday, February 10, 1974.

Those present at the opening were:

Rodney Adams, Chairman	Donald Galbraith	Charles Snow
Embert Peterson	Charles White	Morris Putnam
Robert Frizzell	Eleanor Brown	Lillian Babbitt
All three Selectmen	Mary Gray	Eleanor Streeter

Eleanor Brown was appointed Secretary, Pro-tem .

Chief Gibson presented his budget which was discussed. Donald Galbraith moved that the committee approve this budget and it was seconded by Robert Frizzell and approved by the Committee.

Under New Equipment it was moved by Charles Snow and seconded by Robert Frizzell to buy a new truck, trading in the 1969 toward this. The amount of \$9,000 was recommended by the Highway Advisory Committee for this truck and this was moved and carried by the Finance Committee

Under the Dump, it will take about \$1,000 to operate the dump for the next six months. It was moved by Mr. Galbraith and seconded by Mrs. Brown that the \$1,000.000 be approved. This motion carried.

There was discussion of the articles to be placed in the Warrant.

Mr. Galbraith moved for adjournment, seconded by Mrs. Brown and carried by the Committee.

Eleanor C. Brown, Secretary Pro Tem

IN MEMORIAM

We, the Selectmen of Charlestown, respectfully dedicate the 1974 Town Report to the memory of William "Billy" Miller. "Billy" served his town as a Selectman for three years (1949-1952) and as Town Treasurer for fourteen years (1952-1967).

Oscar J. Makinen
Ted H. Putnam
William R. Potter

The Board of Selectmen wish to express their sincere appreciation to Judge Richard Perry for his many years of dedicated service as the town's Municipal Judge and to Cecil Fisk for his many years of moderating our annual and special town meetings in his patient and dedicated manner.

The Board of Selectmen wish to thank all officers, departments, committees and civic groups for their generous contributions of time and energy. It is unselfish giving such as this that makes our town such a desirable place in which to live.
